

You're fine!

You deserve safety and respect at school. You're fine just the way you are. It doesn't matter ...

• **how masculine or feminine you are**

• **who you like or love**

• **whether you're trans or queer or not**

• **whether you're gay, lesbian, bi,**

straight or not sure

• **who your family is**

• **what color you are**

• **what religion you are (if you're any religion)**

• **what languages you speak**

• **where you come from**

• **how much money your family has**

• **how old you are**

• **what abilities and disabilities you have**
