

# ***SPEAKING FOR OURSELVES:***

## ***Portraits of Gay and Lesbian Youth***

*This remarkable documentary profiles the lives of five Gay and Lesbian youth who represent a strong diversity of cultures and backgrounds. With their families, they tell the stories of their lives--the difficulties and joys of being young and different.*

*A recipient of an impressive array of national television and film awards, this PBS program contains poignant footage that touches hearts and changes minds. **Speaking For Ourselves** addresses challenging issues with courage and grace.*
