

- Thank you for standing up to bigotry.**  
You get it that we all deserve safety and respect at school. It shouldn't make any difference ...
- **how masculine or feminine someone is**
  - **who they like or love**
  - **whether they're trans or queer or not**
  - **whether they're gay, lesbian, bi, straight or not sure**
  - **who their family is**
  - **what color they are**
  - **what religion they are (if they're any religion)**
  - **what languages they speak**
  - **where they come from**
  - **how much money their family has**
  - **how old they are**
  - **what abilities and disabilities they have**

**What  
difference  
does it  
make?**
