You recently spoke up in the face of prejudice. You rock! You get it that we all deserve safety and respect at school. You get it that it doesn't matter...

- how masculine or feminine someone is
- who they like or love
- whether they're trans or queer or not
- whether they're gay, lesbian, bi, straight or not sure
- who their family is
- what color they are
- what religion they are (if they're any religion)
- what languages they speak
- where they come from
- how much money their family has
- how much they like or love
- whether they're gay, lesbian, bi, straight or not sure
- how masculine or feminine someone is
- how old they are
- what abilities and disabilities they have
- what languages they speak
- where they come from
- how much money their family has

You rock!
