You deserve safety and respect at school. You’re fine just the way you are. It doesn’t matter...

• how old you are
• how much money your family has
• where you came from
• what languages you speak
• what religion (if you’re any)
• who your family is
• whether you’re gay, lesbian, bi, queer or not
• whether you like or love
• who you are (masculine or feminine)

You’re fine!
