(1) AMERICAN BAR ASSOCIATION'S OPENING DOORS MEDIA CAMPAIGN – Garry Bevel

ABA is launching a new video and web campaign, "the Kids Are Listening." This campaign on behalf of LGBTQ youth in foster is the first of its kind in the nation and offers free online resources and support to legal and social services professionals - from judges to children's attorneys and social services personnel - who are involved in the foster care community.

Via the online video, "The Kids are Listening" campaign encourages people of all ages and walks of life to stand up to hate speech and discrimination of LGBTQ youth. "The Kids are Listening" video and resources are available for free at <http://thekidsarelistening.org>. We also hope you will "Like" us on Facebook <<http://www.facebook.com/KidsAreListening>> and Follow us on Twitter <<http://twitter.com/#!/kidsrlistening>> .

A growing coalition of support is coming from major organizations across the nation including the Anti-Defamation League, Cartoon Network, the Child Welfare League of America, the It Gets Better Project (created by syndicated columnist and author Dan Savage), **the Safe Schools Coalition**, Healthy Teens Network, the National Association of Counsel for Children, the National Association of Juvenile and Family Court Judges, the American Humane Association, the National Black Justice Coalition, Stop Bullying Now! (a federal program run by the Health Resources and Services Administration), and many others.

"The Kids are Listening" campaign is part of the American Bar Association Center on Children and the Law's Opening Doors Project, which was created in 2005 to increase the legal community's awareness of LGBTQ youth in foster care and the unique issues they face and to provide the legal community with advocacy tools to successfully represent these youth.

We hope you will take a moment to view the website and video and share this with others committed to improving the lives of LGBTQ and ALL young people in foster care and in our communities.

Together we can Stop Bullying, Stop Discrimination and Make It Better Today!

(5) AD IN SEATTLE GAY NEWS FOR PRIDE? –

SSC has been asked if they want to put an ad in Seattle Gay News for the Pride issues. It was decided to put in one ad for no more than \$100. Beth will check on cost for non-profits.

(6) NATIONAL SAFE SCHOOLS ROUNDTABLE NEWS –

1. 2011 Steering Committee

Thank you to everyone who applied to be a member of the 2011 NSSR Steering Committee! The SC is pleased to let you that Alan-Michael Graves, board member of the National Black Justice Coalition, David Fischer, Program Manager at the Illinois Safe Schools Alliance, and Heidi Wallace, Coordinator of the Montana Safe, have joined the Steering Committee for 2011.

There was significant interest in joining the Steering Committee from the NSSR membership and the Committee based its decisions on striking a balance in the group of diversity of geography, experience, and organizational size and type. There are a number of ways to take leadership in **the NSSR, such as leading a committee**, helping to develop the convening, planning webinars, fundraising, etc. We hope that you will consider such work.

2. 2011 Committee Work

The following committees have gotten underway with their work, webinar plans, and thinking about presentations for the convening, and most can use additional members willing to roll up sleeves and pitch in. Please contact the committee leaders ASAP to join. Each committee will always have at least one Steering Committee member so that the Steering Committee can keep up to date.

Education Justice Committee

Leader: David Fischer (IL Safe Schools Alliance - david@illinoissafeschools.org<<mailto:david@illinoissafeschools.org>>)

Liaison to the SC: David Fischer

The Committee has met three times and is focusing on educational justice with a goal of looking at real examples of where "educational justice" is actually playing out on the ground. The committee wants to videotape people who are actually involved in this work.

Ultimately, the committee wants to do a webinar that will include clips from their interviews and statistics and cover the problem of school "push out" policies and frameworks for school

reform.

Anti-Racism Committee

Co-Leaders: Mekina Morgan (PFLAG National - mmorgan@pflag.org<<mailto:mmorgan@pflag.org>>) and Ashley Jackson (MS Safe Schools Coalition - ashley@mssafeschools.org<<mailto:ashley@mssafeschools.org>>)

Liaison to the SC: Mekina Morgan and Ashley Jackson

the committee has met twice with 4-8 participants on each call. So far, the committee has been sharing stories and talking about areas of work within the safe schools movement and are interested in collecting youth stories. The next meeting will be in mid-May.

Policy Committee

Co-Leaders: Alison Gill (agill@glsen.org) and Heron Greenesmith (hgreenesmith@familyequality.org)

Liaison to the SC: Shawn Gaylord

The Policy Committee has been working on a multi-organizational model policy that covers both bullying and harassment as well as discrimination. The Committee has been meeting monthly and has held a series of conference calls where a range of organizations have been invited to review the model prior to the call and share their thoughts on the call. The next step will be to incorporate a lot of input received from a variety of groups. The group recently changed its monthly meeting time to the third Wednesday of each month at 4:30 Eastern.

E-5 Committee

Co-Leaders: Jessi Tebben (Out4Good, Minn Public Schools - Jessi.Tebben@mpls.k12.mn.us) and Lyn Mitchell (aMaze - lynmitch1@msn.com)

Liaison to the SC: Jessi Tebben

The group started meeting fairly recently and is beginning its work with a review of E-5 materials that are already out there and talking about ways that such materials can be shared throughout the safe schools movement. The workgroup will meet April 25 (tentative- please contact co-leaders for details).

Gender Committee

Co-Leaders: Joel Baum (Gender Spectrum - jbaum@genderspectrum.org) and Danielle Askini (GSA Network - danielle@gsanetwork.org)

Liaison to the SC: Joel Baum

The group has met several times to discuss the work they are already doing and how they might share some best practices with the larger Roundtable. They will be organizing a webinar.

Access Committee

Leader: Nathan Wessel (GLSEN-Cincinnati - wessel.nathan@gmail.com)

Liaison to the SC: Sarah Young

The Committee has been meeting regularly since December, with good participation (meets the first Wednesday of the month at 6pm EST)

* The committee has defined "access" as: the extent to which a group - characterized, but not limited to, geographic, social and economic circumstances - knows about, has contact with, and ultimately makes use of needed resources or services.

* Each committee member has been charged with researching specific areas where access is relevant. This information will form the basis of a webinar AND also potentially resource sheets/best practices to be distributed across the NSSR.

3. Webinars

Sarah has been investigating different options for webinars and we believe we have chosen a system that we'll use for our webinar series. The goal remains to develop and provide a series of webinars, which will be open to all members of the National Safe Schools Roundtable.

As always, feel free to be in touch if you have any questions or need additional information.

(7) SCREENING OF “FISH OUT OF WATER”?

SSC has been requested to endorse a screening of a film which explores 7 bible passages which are used to disparage homosexuality. It was decided SSC needs to see the film before making any decisions regarding endorsement.

(8) LAW & POLICY WORK GROUP REPORT – Lonnie, Jen

Safe Schools- Anti-Bullying Bill HB 1163

Thanks in large part to the faithful advocacy of the Safe Schools Coalition, the anti-bullying bill introduced by Rep. Liias has passed both houses with broad bi-partisan support and awaits the Governor’s signature. The bill supports the policy work passed last year and creates a work group on bullying prevention. It also adds mental health and suicide prevention to classroom-based assessments of health and fitness standards. It was introduced on January 10 with 46 co-sponsors, nearly half the House. Moving testimony given in the Early Learning & K-12 Education Committee prompted a very unusual outburst of out-of order applause, started by seasoned lobbyists. The bill sailed through Education Appropriations and the House floor, passing 76 to 21.

Then it was the Senate’s turn, through the education and fiscal committees, who amended it minimally. A sunset date for the commission was set for

December 2015. The Senate vote was 41-6 on April 4th, and soon afterwards the House soon concurred in the Senate amendments. In addition, both the House and Senate budgets include the funding necessary for the bill’s implementation. Now it’s waiting for signature on the Governor’s desk.

Thanks especially to Safe School Coalition members Gabi Clayton and Cecilia Icenogle for their important testimony along the way. This was a difficulty year to pass any bills that incurred new costs to the state, and the smooth path of this bill proves that legislators were moved to understand its importance.

Finally, we have been mostly successful in retaining Youth Suicide Prevention Program funding in the budgets. This funding was included in the House budget, and we understand that it was intended for inclusion in the Senate budget. Unfortunately, due to what may have been a simple error, it was partially cut in the budget that passed the Senate, so advocacy continues during the special legislative session to ensure full funding is included in the final budget that must be agreed upon and passed by both the House and Senate.

(9) WEB SITE(S) REPORT – Gabi

a) In March, 37,736 visitors used the site 49,572 times.

b) They came from 112 countries including, for example:

→ Cyprus	→ Tajikistan	→ Finland
→ Sudan	→ Mongolia	→ India
→ Colombia	→ Jamaica	→ Japan
→ Lebanon	→ Croatia	
→ Guam	→ Kenya	

(10) INTERVENTION TEAM REPORT

- a) There were 12 calls that came in via the KCSARC crisis line. Penny visited one of their meetings in Feb. and thanked them for their help taking calls for us.
- b) One intervention is on-going. The principal of a private school in this area still is refusing to provide documentation on the expulsion of a child who was being bullied. We are working up the chain of command to assure this child will not be hurt in the future by what is in his permanent file.
- c) Two calls were answered from callers from out of state.

(11) MEMBERSHIP REPORT – Gabi

- a) **HRC Membership** – It was requested we revisit the decision to add HRC as members of the Coalition due to their continued efforts to support gender identity non-discrimination. It was agreed to invite them back into the Coalition and Beth will ask for a letter outlining the steps they have taken in the direction of trans-inclusivity, especially in public policy but in other programs as well.
- b) We also decided we needed to re-evaluate our member ship form to be able to identify those members that do, are working on, or do not have non-discrimination clauses in their policies that include gender identity. Beth has suggested possible wording.

(14) Tabling at Healthy Schools Summit -

PFLAG Seattle Chapter will put SSC flyers on their table at the Healthy Schools Summit May 24th. This saves SSC the fee for the table. **Thank you!** Barb Clark Elliot commented "It is truly my pleasure Beth. And it is the least we can do to support what SSC does for our loved ones and friends."

(15) LEADERSHIP TEAM –

We need to add members to replace leadership team members who can no longer help SSC in this manner. Some possible people were suggested. Beth will check on two and Frank will check on one. A SSC advisory board was also suggested to help bring present and past leadership team members together when needed.

(16) PFLAG PSA – Seattle chapter has been given a grant to do a PSA on LGBT suicide prevention. Gabi will participate and help. Thanks Gabi!

(17) HELP NEEDED: Do you like the idea of heading a small (maybe 2-3 person) committee to revise or create new brochures for the Coalition? SSC is in need of a redesign and printing of our current brochures. It was suggested we look into getting help with design and media messaging.

UPCOMING MEETINGS ... contact the chair if you have agenda items to suggest or if you need instructions about attending (in person) or calling in (by conference call). All are welcome - you do NOT need to be a Coalition member to attend.

May 17th, 3-5 pm, Pacific Time. **Beth** facilitates and **Frank** records. Heather: 206-616-6361; hmurphy@u.washington.edu
